Official Newsletter of the New England and Bermuda District Governor

Governor's Greeting

Volume 1 Issue 6
October 2020

B O O T O Y O U !

Board Members,

Welcome to the spooky month of October! It's a crazy time of year. School is back, which means that students have a lot going on. Not just you! You are probably discovering that many officers and advisors aren't responding as quickly as you are used to. They have a lot going on, too! We all have to be patient and work with each other. This is new territory for us; we've never had our positions while school was happening!

Each of you has a big responsibility during these next few months. Not only do you have to be a resource for your Key Clubs during this new era, but you also have to host Regional Training Conferences! Chairs and E-Board members also have big responsibilities for RTCs. For everything to run smoothly, it is important that each person knows their role. In each RTC group, make sure each LTG knows what they will be responsible for at the event. Chairs and E-Board members, write down which RTCs you will be attending on your calendar so you don't forget! If you don't know your role, make sure to ask!

I hope everyone has a great month of October. Good luck at your Regional Training Conferences! If you need me, I am always here.

Yours in service and friendship,

Lydia Tucker, District Governor

Boo!

Don't let the newsletter and MRF/committee minutes deadline scare ya!

LTG Hall of Fame

Shout-out to **Jordan Fogarty** for always keeping an open line of communication with me, submitting everything on time or early, and for her positivity in general! You're so inspiring, Jordan!

What qualities make you unique? How can you use these to enhance your Key Club experience and bring more to your position?

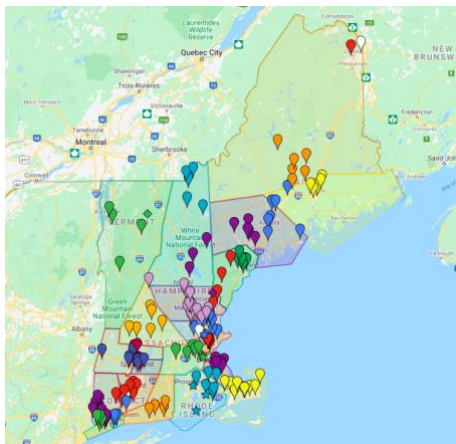

Pass Along this INFORMATION

The NEBD is about to drastically change. Over the years, Key Clubs have gone inactive and have been chartered, and it has come to the point at which many of our Divisions no longer make sense geographically. What a better time to realign them than right now!

I have asked the entire District Board to look over the proposed Divisional Realignment plan and submit feedback. Any questions/concerns submitted have been answered and/or conversations have been had. Nobody on the District Board has wanted to change the plan.

Now, I ask that you share the following links with your Key Clubs:

1. [Feedback form for Divisional Realignment Plan](#)
2. [Divisional Realignment Plan](#) (note: the Divisional Realignment Plan link is also on the Feedback Form, so you don't need to include this as long as you tell Key Clubs that it can be found on the form).

We want to make sure Key Clubs agree with this new plan! They know their area best. **We will accept feedback until November 1**, the day of our District Board meeting. During that meeting, we will vote to either approve or disapprove of the plan. If it is approved, we will send it to NEBD Kiwanis so that they may approve it, and in January, we will elect new Lieutenant Governors for those new Divisions. Don't worry, though, your terms still last until next April!

Something to Think About...

Have we made progress towards our District Goals?

The following people are in charge of overseeing each goal.

Outreach To General Members: Nick/Kristina

Growth: Emily/Growth Committee

Data Collection: Nick/E-Board

COPI: Emily/District Projects Committee

DECON: Lydia/DECON Committee

Maybe we can get some discussion going in regard to where we're at!

SHOUT-OUTS!

Executive Assistants, thank you for volunteering your time to help me out! I appreciate you.

- McKayla Dockham
- Tia Guay

Resources from KCI

Key Club International is coming out with Virtual Meeting Kits each week for Key Clubs to utilize!

Consider sharing links to these in your newsletters. They may be helpful for new presidents!

[Virtual Meeting Kits](#)

General Mailing

The NEBD's General Mailing is a four page document that gets sent in the mail to each individual Key Club each quarter. It includes articles from each E-Board

Members and Committee Chairs!

The purpose is to educate Key Clubbers, so there are no introductory letters. Key Clubs will be receiving their General Mailing in mid-October!

District Board Files

Just a reminder to utilize the resources found in the District Board Files (Google Drive)! Committee minutes are uploaded each month, and there are newsletter graphics and flyers to share.

Thinking about applying for the Robert F. Lucas Outstanding Lieutenant Governor's Award? Remember that we are tracking information for this through MRFs this year, so you won't need to submit much in paper form. Make sure to be diligent about completing your MRFs!

REGIONAL TRAINING CONFERENCES

RTC Captains

RTC "Captains" are simply the person in each RTC group that I will be sharing certain links/information to so that they can share it with the rest of their group! They were chosen because they filled out the RTC date survey for their group.

Divisions 1, 2, 3, 6, 7: Olivia Neely

Divisions 4, 5, 8, 11: McKayla Dockham

Divisions 9-10, 12-13, 14-15: Lily Mooney

Divisions 16-17-18, 19-25, 20: Ana Rodrigues

Divisions 21, 22, 23, 24: Ava Jarell

Divisions 26-27-28, 29A, 29B, 30, 31: Aleena Jacob

RTC Materials have been shared! Be sure to check them out using [this link](#). Remember, this link is for you and you only! Only the District Board should have access to these.

It is very important that you go through the materials and look through them, especially the folder entitled, "LTG Instructions." There is information in this folder that has instructions for you that we have not told you otherwise! For example, I inform you of a survey you must complete 7 days before your RTC.

This is the presentation that will be used at each RTC. Make sure to look over it and decide who will be presenting each slide! Also, you should read your slides beforehand so you don't have to read directly off them. Members can read the slides, but it's your job to make them engaging and fun!

Hey, I'm famous!
