

August 2003

Dear Friends of the Lakes Region United Way:

I am pleased to be able to invite you and your friends to Waukewan Golf Club in Meredith, NH to participate in our 16th Annual Lakes Region United Way Golf Tournament to be held on Friday, September 19, 2003. I'd like to extend a big thank you to Dexter and Allan Hale for allowing us to once again make use of their beautiful golf course. It should be in splendid color for this event. I also want to thank Meredith Village Savings Bank and Laconia Savings Bank for their generous sponsorship. They continue to lead the way, on several fronts, in supporting our community and the the Lakes Region United Way.

We aim to have a real fun time this year! The golf committee has a few unique and zany tricks up their sleeves, so bring your game (and your sense of humor). We expect a quick registration for this event so get your money in soon to reserve your spot. (We have reduced the number of golfers this year in order to maintain a better pace of play). We also know that golfers love prizes and so there will be many, including: 3 divisions (1st and 2nd place in each), longest drive, shortest drive, two closest-to-the-pin holes, four hole-in-one holes, birdie prize on the #1 handicap hole, most honest foursome, and closest to the zig-zag. Registration and lunch begin at 11:30 AM with a shotgun start at 1:30 PM. The deadline for registration is August 31st but don't wait!

Your Board of Directors of the Lakes Region United Way has set its largest fundraising goal ever in support of our caregiving agencies and has chosen to begin the official annual campaign in conjunction with our golf outing on September 19th. If you would like to participate as a corporate sponsor, the corporate sponsor form lists the levels available and the recognition each business will receive. Since this year we will be combining our golf tournament with our Campaign Kick-Off Lunch, we expect to generate a great deal of publicity and excitement, which will benefit all of our sponsors.

Please call Karen Stetson, LRUW's Director of Community Development, if you have any questions at 603-524-6864. I look forward to seeing many of you *on the links*, as we say goodbye to Summer and officially welcome Fall in New England!

Randy Eifert
