- It is important to arrive 10 minutes prior the event. The Media Specialist may need your help displaying the books along with the readers choosing their book to read to the students.
- Generally, we have six functions:
 - Assist with stamping the books chosen by the students
 - Assist with their art project
 - Read to the students
 - Snack time
 - Photograph the events (it's important to clear with the teachers, students who are not to be photographed).
 - Help with clean up.
